COACHES REMINDER

This is an “**Instructional**” Program.
As such, it should be each coach’s priority that the boys
and girls under their direction:

1. Have Fun
2. Have a positive team-oriented experience
3. Learn about the game of Soccer

“Good Sports are for ‘Good Sports’”

**** Remember this is a LEARNING experience for
our Youth Sports Officials as well! ****

**“To play the game is great;
to have fun playing is greater!”**

RESCHEDULED GAMES should be kept to an absolute minimum.

The home team is responsible for contacting the Youth Bureau and the assigned referees to notify all parties of the game change!

Coaches and Coordinators are reminded that regularly scheduled County soccer games should not be cancelled for any reason other than inclement weather or poor field conditions.

If a team shows up 'short' of players and the opposing team has enough extra players, players should be shared and the game should be played. Since the County does not keep standings, this is perfectly acceptable.

****Rescheduling games increases the likelihood a Certified Referee will NOT be available****
